THE SENATOR

Volume 1, Number 5

September 23, 1968

As a result of joint efforts by many conscientious individuals on campus, a Student Identification Card program has been instituted. As the system has been designed, it will only take four easy steps to obtain a card. The process is as follows: (1) During registration, the week of September 23, as well as several weeks following, forms will be available at a table near Window C of Allyn Hall. While waiting in line to register the student is asked to fill out the form which will include an envelope to be addressed to the student's home. (2) The second step is to go to the Business Office and procure a fee receipt, as proof of being a registered student. If you are a pre-registered student, with fees paid, you will still be expected to get a receipt from the Business Office. They will be most gracious in giving this to you. (3) The final step to be taken by the student is to go to room 163 Allyn Hall and have an Identification Picture made - accompanied by a fee receipt. The envelope and form will be given by the student to a receptionist in 163 Allyn Hall upon completion of the photographing. (4) After processing, the Identification Card will be sent directly to the student's home at no charge whatsoever to the student. It is to be emphasized that ALL students, i.e. part-time night, full-time night, part-time day, full-time day, and freshmen through seniors are expected to participate. These cards will be required for library checkout and various other university activities. Dates and hours of photographing are listed below:
